Sharing Gardening Wisdom

April 5th 4-5PM MST

Join us for an hour of tips and tricks from experienced gardeners. Bring your gardening questions as they will guide us.

Planting Biennials

April 5th 5-7PM MST

For anyone interested in experiencing vegetable seed production. We will be planting overwintered onion bulbs and carrot roots for our organic seed.

Biennial vegetable blooming tour!

July 9th 5-7PM MST

Come see the often unseen side of vegetables, their blooms! This will be an interactive farm tour!

10th Annual SEED FESTIVAL September 4th 9AM-5PM

Everyone is welcome, from beginning gardeners to professional growers. There will be hands on seed cleaning techniques demonstrated, interactive farm tours, and much more! A fun time for the whole family. There are plenty of places to camp out for the weekend! Please RSVP

If none of these dates work for you, but you're still interested in visiting let us know a time that works for you!

Call 308-631-5877 or email meadowlarkhearth@gmail.com with question and to RSVP
