Please initial that you understand the important information contained in each paragraph below.

Chaperones or Supervisors for Minors are Free. (As long as these adults are there for the sole purpose of fully accompanying or chaperoning children or minor teenagers.) If a parent or adult is participating and engaging instructors to learn skills, they need to pay for the registration as adults, regardless of their needs to care for and accompany children.

Please Initial: _____

Children under eight (8) must be accompanied by an adult while doing workshop activities. General adult supervision is required for anyone attending under the age of 18, and adult supervisors are responsible for the safety and actions of any minors in their care. Adult supervisors assume liability for any damages or injury resulting from the behavior of minors in their care during the event. If the adult supervisor is not the parent or guardian, the parent or guardian must sign a Liability and Indemnification Waiver form for the minor, and also provide a letter of permission to the designated adult supervisor for their child. This must be provided with the registration or at the registration table upon arrival at the Gathering.

Please Initial: _____

Meals are not included at the Gathering. Some instructors may require additional fees for materials used as part of their classes. If so, this will be noted in the class descriptions when selecting your classes.

Please Initial: _____

You must complete, hand-sign and return the Liability and Indemnification Waiver and Release Form before your registration will be accepted. If you have purchased a ticket but have not provided a Waiver by the start of the Gathering, you will not be allowed to participate and your fees will be refunded. You must also complete the Liability and Indemnification Waiver for any minor children attending the Gathering with you and for whom you are responsible.

Please Initial: _____

Cancellation Policy: Full refunds are provided until July 15, minus 10% for administrative costs, and/or registration may be deferred to the 2026 Gathering. This can only be done once. If you defer your tuition you may not transfer it to another person. However, you may transfer your ticket to another person if you cannot attend – but we will need a completed Registration Form as well as a Liability and Indemnification Waiver from that person before they may participate in the Gathering. Please contact us to help facilitate this.
